## 2017 - 2018 World Record Speed Round Challenge

It is time to announce the winners of our 2017 - 2018 World Record Speed Round Challenge:

Consonants "BCDF": **Alex Tahmzyan** Speed Round Record: 26  
Consonants "GHJKF" **Cole Williams** Speed Round Record: 21  
Consonants "LMNP" **Aiden Fumo** Speed Round Record: 25  
Consonants "QRST" **Noah Knight** Speed Round Record: 26

Consonants "B-N" **Karapet Keshkaryan** Speed Round Record: 29  
Consonants "P-Z" **Sofia Yeromian** Speed Round Record: 29  
Middle of the Words **Karapet Keshkaryan** Speed Round Record: 36  
Sight Words **Davit Hovasyan** Speed Round Record: 35

If one of these record holders was in your class (or if you know them), please let me know as I would like to send them a special certificate of achievement. However, to be eligible, the student must have been in first grade or must be a student who completed most of Phonics 1b. In other words, students from higher grades who just competed in the speed rounds are ineligible.

The World Record Speed Round Challenge is found in Phonics 1b - Consonant Sounds (Flash version only). The purpose of the challenge is to promote using our "Learn the Words" and "Speed Round" activities and to recognize those who complete this challenge to a very high level.

I expected that the scores would be set to zero on July 1, but found that did not happen. Therefore, these scores will remain as long as these students have an account. Many of them will be removed when the schools update their accounts.

Remember, there are class, school, state and country records to beat. Each comes with a certificate.
