***Note: this worksheet is to help you with part numbers, pricing, and shipping.
This worksheet is not required when submitting a purchase order.***

Configurations and features:

Home Edition (single) – Full instructional program (without teacher features).

Student Edition (single) – Same as “Home Edition” but also includes our “teacher features”: Pre-test/Post-test program, class and individual reports, and Users’ Guide and Lesson Plans (as an Adobe Acrobat file) and some student management controls.

Teacher (2) – two CD-ROMs (same as Student Edition), but contains a license for two computers and a printed Users’ Guide and Lesson Plans.

Lab and Network – Includes printed Users’ Guide and Lesson Plans, a standalone CD-ROM with all of our teacher features and a network installation CD-ROM with a license for 5, 15, 30 or Unlimited Site/Network, and includes our Program and Class Manager for network administration.

Online (Super Star Online) – Includes all the features of our network version plus enhanced student management, reporting and administration features. Super Star Online is delivered via the Internet to almost any computer (excluding iPads) that have Internet access. Pricing is annual subscription based on the number of users rather than the number of computers. Usually cost \$4 per student per year (25 user minimum.). Call for quote on our web delivered titles.
