Coach Time

Our expert animated coaches introduce each topic, teaching the vital points of phonics while also instructing how to play a sport, making our course a magnetic learning method. These entertaining and interactive tutorials make learning easy and entertaining for students.

Learn the Words - Speed Rounds

Language Arts Review 3a features extensive "Learn the Words" sections, with over 500 words presented in syllables and over 3,000 spoken words in sentences. Students can see and hear each word and its syllables, and see and hear the word used in a sentence. In addition, they can read a word definition, and read the topic rules. Finally there is a "Speed Round". This 1-minute flash card style drill helps students test their understanding of the words. All scores are saved and displayed on the student Progress Report.

Sports Games and Review

Language Arts Review 3a combines our proven phonics teaching techniques with mesmerizing sports games that reinforce, test, and reward students for both making their best effort and mastering the material. From basketball to karate, tennis to cross country running, even downhill skiing to kayaking, our games give immediate feedback to students on their progress - and compelling challenges for them to do even better and win gold medals!

Pre-Test and Post-Test

Language Arts Review 3a features a pre-test and post-test program to help track the progress of each student and class. Easy-to-read student and class reports can be printed from the student management section.

Teachers' and Site Admin Features

This section includes:

- a) A Student Management System
 - i) to track student progress in the course
 - ii) to track student pre-test and post-test scores
 - iii) to set optional class and student settings
 - iv) to view the Users' Guide and Lesson Plans
- b) Print pages for all activities
- c) An explanation of the Gold Medal System and other program features
- d) Teachers' and Site Admin Resources Course

Designed for Older Students and Adults

Designed as a review for remedial and at-risk students, Language Arts Review 3a uses young adult characters and sports games to engage students in fundamental language arts skills. Language Arts Review 3a techniques will help the older students and adults improve their reading and comprehension and have a great time doing it.

Motivation and Tracking System

Our "Gold Medal" series features our advanced motivational and tracking system. Students receive a "Certificate of Completion" for completing each "Coach Time" activity. They earn points in each "Learn the Words - Speed Round". Plus they can earn a bronze, silver or gold medal in each sport game event. All scores are displayed on the Gold Medal Progress Report. A report for each individual student or for the entire classroom can be printed from the Teachers and Admins section.
