

## Earning a Gold Star Certificate of Achievement

The student's objective of all of our the Super Star courses is that students can earn a Gold Star Certificate of Achievement. Of course the real objective is that they learn the skills and concepts taught in the course. However, the key words are "**earn**" and "**achievement**".

We give students a goal and to meet that goal they must earn gold stars on every song, presentation, activity, or game in the course. Some gold stars are easy and some are much more challenging, but students must work to earn a Gold Star. In doing so, they are also developing a work ethic. A **work ethic** is one of the most important character traits a student can learn, almost as important as learning to read.

The Gold Star Certificate of Achievement is the reward for their hard work. Students can see that they have earned gold stars on the Super Star page, but when a teacher or parent prints the Gold Star Certificate of Achievement and presents it to the student, that makes it special. They are a "Super Star"!!!

Teachers can provide more rewards when they print the Gold Star Certificate of Achievement and display it on the classroom wall. Some teachers will send the certificate home with the student so parents can enjoy it. Other teachers include it as part of their reward system for extra credit or recognition. All of these are fun ways that students can be recognized for their hard work and achievement. Other students will also be motivated to complete their gold stars when they see other students being recognized.

## Student Reports

Now might be a good time to review your reports. Here is a reminder of the reports that we have available and how to access them.

**Site Administrators:** login with your site administrator user name and password. Click on Reports on the brown button bar near the top. You can view (and print) the course usage report which will show how many minutes each of the courses are being used by each class.

Scroll down and you can view the classes and courses. Click on a course to view the summary report for that course that shows the student's names and their progress in the course.

**Teachers:** You can view a student's progress by having them click on the star at the bottom of screen to go to the Super Star page. From the Super Star page you can view the stars they have earned, the speed round scores, the lesson view progress, and the details view.

Teachers, login with your teacher account. Click on Reports on the brown button bar near the top. You can view (print) the course usage report which will show how many minutes each of the courses are being used in your class.

Scroll down and you can view the courses being used in your class. Click on a course to view (print) the summary report for that class that shows the student's and their progress in the course. If a student has earned a Silver or Gold Star Certificate of Achievement, you can click on the print button to print their certificate. Click on the Details button to view (print) a detailed report of the student's progress.

From the Student Management screen, teachers can click on the Class Test Report button to view (print) a pre-test and post-test report. Click on the Details button by a student's name to view (print) a detailed report for that student.

Our reports are easy to read and understand. We believe that the teacher is best suited to interpret the reports and take the appropriate action, if needed.

If you have any questions about these features, please feel free to contact me.

I created a special YouTube movie tutorial to cover these features at: <https://youtu.be/jMM2kKEQsBo>

## Pricing Update

Effective January 1, 2019 our pricing changed from \$4 per user (students and teachers), per year to \$5, for **new customers**. This includes an option for Clever integration.

Current customers will be able to keep the \$4 per user (students and teachers), per year price for the 2019-2020 school year. The new

pricing will be effective for the 2020-2021 school year.

We no longer offer CD-ROM or Lab/Network versions from our web site. We still offer downloads of our titles. If you need a CD-ROM or Lab/Network version, call 800-460-7001. We may offer it by special order.

For those considering Clever integration; Clever is free to schools and districts. Clever offers single sign-on, Clever badges to make signing on easier for young kids, and Secure Sync which automates adding students and managing students.

You can learn more about Clever at: <https://clever.com/> . We offer a free 60-day trial of Super Star Online with Clever.
