

New Monthly Pricing!

We are pleased to announce that we now offer a monthly pricing option for schools. While we still encourage schools to take advantage of our low yearly subscriptions, we understand that at this time of year, some schools might want monthly pricing to finish out the school year.

Our monthly pricing is still simple: \$0.75 per user, per month (25 users minimum). All of our courses are included in any subscription.

Schools can purchase a one month to six months subscription to Super Star Online on a monthly basis. For a subscription of more than six months, it would be less expensive to purchase a yearly subscription.
