HELP ME 2 LEARN COMPANY
12033 4th Street, Suite 3
Yucaipa, CA 92399

Dear Mr. Sheffield,

I just wanted to let you know how much I have enjoyed using the program, Letters & Numbers, in my Kindergarten classroom. I love the way it keeps track of what the children have done. It is easy for them to use and requires very little teacher help. I am teaching 1st grade this year and am looking forward to trying other programs you have to offer.

Sincerely,

A handwritten signature in cursive that reads "Jan Flowers".
